

Rental Period

At Sunny Days Rental Co, we offer a variety of rental items to our customers, and we strive to make the rental process as clear and simple as possible. One important aspect of our rental process is the rental period, which is the agreed upon timeframe in the rental contract from when the customer is able to pick up the rental items, or have them delivered to their location by Sunny Days Rental Co for a set fee, until the specified time they must have the items returned, or picked up by the rental company. This time frame includes any setup or teardown time.

Our rental period exists in 24-hour increments, from the start of the rental period. It is important for customers to carefully review their rental contract to ensure that they understand the start and end times of their rental period. The rental period will be finalized upon creation of the customer invoice. The customer recognizes that by signing the rental contract, they have been made aware of and agree to adhere to the rental period.

It's important for customers to return rental items by the end of their rental period, as failure to do so may result in additional fees, as outlined in our late return policy. We recommend that customers plan accordingly and ensure that they have ample time to enjoy their rental items before returning them on time.

In addition, customers may request an extension of their rental period, subject to availability and approval by Sunny Days Rental Co. Any such extension will be subject to additional fees, which will be communicated to the customer at the time of request.

By carefully reviewing their rental contract and adhering to the rental period, customers can ensure that they have a smooth and enjoyable rental experience with Sunny Days Rental Co. We strive to provide our customers with the best possible service, and we appreciate their cooperation in meeting their rental obligations.

Informed Proper Use Policy

As an event rental company, we take the safety of our customers very seriously. It is important for all customers to understand that rental items should only be used in their recommended fashion, as any deviation from the intended use may result in injury, illness, or even death.

To ensure the safety of our customers, Sunny Days Rental Co provides a set of recommended use protocols with each rental game. These protocols detail how each game should be used, including any safety precautions that must be taken to avoid injury.

We ask that all customers carefully review the recommended use protocols prior to using the rental game. If you have any questions or concerns about the recommended use protocols, please do not hesitate to contact us for further guidance.

By following the recommended use protocols and taking the necessary safety precautions, customers can enjoy our rental games with peace of mind, knowing that their safety is our top priority.

Hold Harmless Agreement / Risk of Injury Policy

The customer acknowledges that the usage of any rental item from Sunny Days Rental Co may involve inherent risks, including but not limited to physical injury, illness, and death. By renting equipment from Sunny Days Rental Co, the customer assumes all such risks and agrees to indemnify and hold harmless Sunny Days Rental Co and its employees, owners, and assigns from any and all claims, demands, causes of action, damages, or other liabilities that may arise as a result of any injury or harm suffered by the customer or any third party while using the rented equipment.

The customer understands and agrees that Sunny Days Rental Co is not liable for any direct, indirect, incidental, special, or consequential damages that may arise from any injuries or accidents that occur during the rental period, including but not limited to medical expenses, lost wages, pain and suffering, or any other damages or losses arising from the use of the rental equipment.

Furthermore, the customer agrees to use the rental items only in accordance with their intended use and to comply with all safety instructions provided by Sunny Days Rental Co. Any failure to use the rental equipment properly or to comply with safety instructions may result in the customer assuming additional liability for any resulting injuries or damages.

The customer is solely responsible for any incidents that may occur during the rental period. The rental period is defined as the agreed upon time in the booking contract from when the customer is able to pick up the rental items, or have them delivered to their location by Sunny Days Rental Co for a set fee, until the specified time they must have the items returned, or picked up by the rental company.

By renting from Sunny Days Rental Co, the customer acknowledges that they have read and understood the terms of this agreement and voluntarily assume all risks associated with the use of the rental equipment.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Hold Harmless Agreement / Risk of Injury Policy listed above.

No Fee* Reschedule/Cancellation Policy

Sunny Days Rental Co. offers its customers the option to reschedule or cancel rental services free of charge, provided that the customer contacts the company with this information a minimum of 3 business days prior to the agreed-upon rental start date.

In the event that a customer needs to reschedule or cancel their rental services within the 3-day window, they will be subject to a cancellation fee equal to 50% of their total invoice. This fee is necessary to compensate the rental company for any lost business opportunities resulting from the short notice change.

The rescheduling or cancellation policy is in place to ensure that the rental company can make the necessary arrangements and adjustments to their schedule based on customer needs, while also minimizing the financial impact of cancellations or rescheduling.

It is important for customers to communicate any changes in their rental needs as soon as possible to avoid any unnecessary fees or inconvenience. Customers can rest assured that Sunny Days Rental Co. will work with them to find a solution that meets their needs.

By adhering to the 3-day window and communicating any changes in a timely manner, customers can enjoy the flexibility of the rental services while also minimizing any financial impact on Sunny Days Rental Co.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the No Fee* Reschedule/Cancellation Policy listed above.

Rental Extension Policy

If a customer wishes to extend their rental period beyond the original agreed-upon rental period, they must contact Sunny Days Rental Co prior to the end of the original rental period. The rental company reserves the full right to refuse an extension based on their discretion.

If Sunny Days Rental Co approves the extension request, the customer will be responsible for paying any additional rental fees associated with the extended rental period. The fees will be communicated to the customer at the time of the extension request.

If the customer chooses to maintain possession of the rental items beyond the agreed-upon rental period defined in the booking contract without prior approval from Sunny Days Rental Co, they will be subject to any fees as described in the late return policy.

It is important for customers to adhere to the original rental period and request any extensions in a timely manner to ensure availability and avoid any additional fees. The rental company will do their best to accommodate extension requests based on availability, but customers should **not** assume that extensions will be granted without prior approval.

By communicating with Sunny Days Rental Co and following the proper procedures for extending the rental period, customers can enjoy their rental items for an extended period of time while avoiding any unnecessary fees or inconvenience.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Rental Extension Policy listed above.

Late Return Policy

At Sunny Days Rental Co, we understand that unforeseen circumstances may arise that prevent customers from returning their rental items on time. However, it's important to us to ensure that all of our customers have access to our rental items when they need them. To ensure the availability of our rental items, we have established a late return policy encompassing **all** rental items.

Late returns will be subject to additional fees. The amount of the late fee will be determined by Sunny Days Rental Co and communicated to the customer at the conclusion of the rental period, if the rental items are not returned by this point. The rental period is defined as the agreed upon time in the booking contract from when the customer is able to pick up the rental items, or have them delivered to their location by Sunny Days Rental Co for a set fee, until the specified time they must have the items returned, or picked up by the rental company.

The late fee will be based on the length of the delay, as well as the value and availability of the rental item.

In the event of a late return, Sunny Days Rental Co may also charge additional fees for any inconvenience caused to other customers who were unable to rent the item due to the late return. These fees will also be determined by Sunny Days Rental Co and communicated to the customer.

It's important for customers to carefully review the terms and conditions of our rental contracts before renting any items. By doing so, customers can ensure that they understand the late return policy and are prepared to meet their rental obligations. We also recommend that customers communicate with us as soon as possible if they anticipate a late return, so that we can work with them to find a solution that is fair for everyone involved.

We strive to provide our customers with the best rental experience possible, and we appreciate their cooperation in meeting their rental obligations. By adhering to our late return policy, we can ensure that all of our customers have access to the rental items they need, when they need them.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Late Return Policy listed above.

Rental Protection Plan

Our Rental Protection Plan (RPP) is an optional service offered by Sunny Days Rental Co to provide customers with added peace of mind during their rental period. The RPP insures all rental items for the duration of the rental period, removing all liability from the customer for any damages that may occur. The rental period is defined as the agreed upon time in the booking contract from when the customer is able to pick up the rental items, or have them delivered to their location by Sunny Days Rental Co for a set fee, until the specified time they must have the items returned, or picked up by the rental company.

Under the RPP, if a rental item is damaged during the rental period, the customer is not responsible for any repair or replacement costs. Instead, Sunny Days Rental Co will cover the costs of any necessary repairs or replacements, as indicated in the itemized list attached to this document,'Itemized Rental Packages List with Cost of Repair/Replacement'. However, it's important to note that the RPP does **not** cover lost or stolen items. In the event that a rental item is lost or stolen during the rental period, the customer will be billed for the full replacement cost of the item.

The RPP costs 15% of the pre-tax total of a renter's purchase and is entirely optional. Customers who choose to purchase the RPP must do so at the time of the invoice payment. The RPP fee will be added to the rental total and must be paid in full along with the rental fee.

By purchasing the RPP, customers can enjoy their rental items with the peace of mind that any accidental damages will be covered, without the worry of unexpected costs. It's important for customers to carefully review the terms and conditions of the RPP before choosing to purchase it, ensuring that they understand the coverage and limitations of the program.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Rental Protection Plan Policy listed above.

Rental Repair/Replacement Policy

Customers who rent yard games or event supplies from Sunny Days Rental Co. are solely responsible for any and all damages incurred during the rental period. The rental period is defined as the agreed upon time in the booking contract from when the customer is able to pick up the rental items, or have them delivered to their location by Sunny Days Rental Co. for a set fee, until the specified time they must have the items returned, or picked up by the rental company. If a customer chooses not to purchase our Rental Protection Plan, they are **fully** responsible for any repair or replacement costs that may be necessary due to damage caused to the rental items. These costs are laid out in the tables below (Itemized Rental Packages List with Cost of Repair/Replacement). Sunny Days Rental Co. will perform a detailed inspection of each item rented out by the customer at the conclusion of the rental period. An update on any observed damages and resulting fees will be disbursed to the **customer within 72** hours of the conclusion of the rental period. Whether an item is to be repaired or must be **replaced is solely at the discretion of Sunny Days Rental Co.**

If our business identifies damages to a rental item after the rental period, we reserve the right to request payment from the customer for repair or replacement costs. The customer is required to make these payments within a reasonable timeframe as specified by the rental business. This time period is 7 days from the disbursement of the damages invoice from Sunny Days Rental Co. to the customer. Refusal to pay for damages may result in additional fees and/or legal action. Late payments will be charged at a 3% compounding fee per day beyond the 7 day payment window.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Rental Repair/Replacement Policy listed above.

Accidental or Environmental Damages

This policy outlines the terms and conditions governing the rental of canopy tents, folding tables, folding chairs, and all other supplies from Sunny Days Rental Co. Customers have the option to purchase a Rental Protection Plan at an additional cost, which provides coverage for various contingencies, including accidental damage due to weather or environmental causes during the rental period. If the customer opts not to purchase this program, they assume full responsibility for any damage to the rented canopy tent or supplies caused by weather or environmental factors. Tears in the canopy, damage to the frame, or any other incidental damages will be the sole responsibility of the customer if the Rental Protection Plan is not purchased. Rain, wind, extreme weather, etc. do not remove your liability. In such cases, Sunny Days Rental Co retains the discretion to determine whether repair or replacement is necessary and will assess the associated costs accordingly. Customers must promptly report any damage to the canopy tent or supplies, and failure to do so may increase their liability. By entering into a rental agreement with Sunny Days Rental Co, customers acknowledge their acceptance of this policy.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Accidental or Environmental Damages policy listed above.

Customer Payment Obligations Policy

The customer is responsible for paying any additional fees that may accrue during the rental period to Sunny Days Rental Co. This includes but is not limited to fees for extensions of the rental period, late returns, or damages to the rental items.

In the event that additional fees are accrued, Sunny Days Rental Co will inform the customer as soon as possible and provide them with an itemized invoice detailing the charges. It is the customer's responsibility to review the invoice and promptly make payment within 7 days of the invoice being disbursed by the rental company.

Sunny Days Rental Co may take legal action to recover unpaid fees, which may include the engagement of a debt collection agency or pursuing legal action through the court system.

It is important for customers to understand their obligation to pay any additional fees that may accrue during the rental period and to promptly make payment within the designated time frame. By doing so, customers can avoid any potential legal or financial consequences resulting from unpaid fees.

The signing of your name at the conclusion of this document indicates your agreement to adhere to the Customer Payment Obligations Policy listed above.
